

# Buildestoid™

Do-d-gee Pharmaceuticals Ltd

## Info Sheet

Thank you for purchasing **Buildestoid™**

Buildestoid is a steroid drug. There is no known medical use for it at present but it is known to act directly on human muscles to increase growth.

It therefore will enhance sporting performance. It is undetectable to all drug tests currently used by every single sporting body in the world.

'It's safe to take, safe to eat, safe to beat and safe to cheat with Buildestoid'

Good luck at your next championship!!!!!!!

Buildestoid - is available only on the internet for delivery by our special 'hoody' worldwide distribution chain.
